

Accessing the Spatial Big Data Platform

A QUICK START GUIDE

1. Your platform administrator creates an account

2. You receive an email invitation

3. Follow the link and set up a password

4. Use this password to log into the dashboard

5. From here, access the Galleries (snapshots), datasets (data views and layer templates) and Accounts (users)

The GeoSpock Spatial Big Data Platform, sometimes referred to as the Platform, is a cloud-based solution that processes big data and makes it available for analysis, enabling you to find patterns and trends in your data.

If you have any problems, contact support@geospock.com
